LASU 2200

LaLamour

Is an all age feminine brand.
For women with a dash of daring.
For women with a bohemian feeling for freedom.
For women who want to differentiate themselves from others and want to express their individuality.
For women who care about the world and its people.

Lalamour is working with a garment producer specialised in becoming one of the leading companies to produce clothes made of organic fabrics produced under good working conditions.

All suppliers of this company maintain the highest standards for delivery of organic cotton, bamboo and Tencel.
Printing and embroidery are GOTS certified.
The company is certified by the Control Union for the Global Organic Textile Standard and is GOTS certified as well.
