LaLamour

Is an all age feminine brand.
for women with a dash of daring.
for women with a bohemian feeling for freedom.
for women who want to differentiate themselves from
others and want to express their individuality.
for women who care about the world and its people.

from this season on LaLamour is working with a garment
producer specialised in becoming one of the leading companies
to produce clothes made of organic fabrics produced under
good working conditions.

All suppliers of this company maintain the highest
standards for delivery of organic cotton, bamboo and Tencel.

Printing and embroidery are GOTS certified.

The company is certified by the Control Union for the Global
Organic Textile Standard and is GOTS certified as well.
